
Yudina Anna

I was born in Moscow
to a family of an Artist and a Director.
Being a creative child, I always painted and drew picture, inventing stories on paper.

Most of all I like illustrating children books.
Children’s hearts are open to everything which an artist puts into his or her works.

With my works I participate in exhibitions in Russia and abroad.
In 1998 I received a diploma at Illustrator s Andersen Award in Bologna
for my illustrations to Alice in Wonderland, by Lewis Carroll.

I can paint your favorite characters and illustrations for the books you love.

Along with gouache, watercolors, ink and pastel,
I like adding dry flowers, threads and using textured paper.

I hope my works will bring joy to your children.
